Treatment of Wilful Defaulters

4. General requirements

(1) Mechanism for Identification and Classification of Wilful Defaulters

A lender shall identify and classify a person as a 'wilful defaulter' by following the procedure enumerated in these Directions. The identification of the wilful default should be made keeping in view the track record of the borrowers and should not be decided on the basis of isolated transactions/ incidents. The default to be categorised as wilful must be intentional, deliberate, calculated and meeting the conditions set out in para 3 (1) (t) above.

(a) (i) The evidence of wilful default shall be examined by an Identification Committee.

(ii) If the Identification Committee is satisfied that an event of wilful default has occurred, it shall issue a show-cause notice to borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of the entity, and call for the submissions from them within 21 days of issuance of show cause notice. Lenders shall disclose to them all materials and information on which show cause notice is based.

Explanation: Director (s)/ persons who are in charge and responsible for the management of the affairs of the entity means who were associated with the company/ entity at the time when the acts of omission or commission by the company/ entity led to the default.

(iii) After considering the submissions and where satisfied, the Identification Committee shall make a proposal to the Review Committee for classification as a wilful defaulter by explaining the reasons in writing.

(iv) The borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of the entity shall thereafter be suitably advised about the proposal to classify them as wilful defaulter along with the reasons therefor.

(v) An opportunity shall be provided to borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of

the entity for making a written representation to Review Committee within 15 days of such a proposal from the Identification Committee.

(vi) The proposal of the Identification Committee along with the written representation received shall be considered by the Review Committee.

(vii) The Review Committee shall provide an opportunity for a personal hearing also to the borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of the entity. However, if the opportunity is not availed or if the personal hearing is not attended by the borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of the entity, the Review Committee shall, after assessing the facts or material on record, including written representation, if any, consider the proposal of the Identification Committee and take a decision.

(viii) As the above classification process is an in-house proceeding, the borrower/ guarantor/ promoter/ director/ persons in charge and responsible for the management of affairs shall not have the right to be represented by a lawyer.

(ix) The Review Committee shall pass a reasoned order and the same shall be communicated to the wilful defaulter.

Explanation: If the Identification Committee concludes that the borrower/ guarantor/ promoter/ director/ persons who are in charge and responsible for the management of the affairs of the entity, do not qualify for classification as a wilful defaulter, such cases need not be referred to the Review Committee.

(b) (i) Lenders shall formulate the guidelines, based on their board-approved policy, designating rank of the official, who would issue the show cause notice and serve written order on behalf of the Identification Committee and Review Committee respectively.

(ii) The show-cause notice and the order served by the designated official shall clearly state that this has the approval of the competent authority, i.e., Identification/ Review Committee and must identify its members.

(c) A director other than whole-time director, including an independent director/ nominee director, shall not be considered as wilful defaulter unless it is conclusively established that:

(i) the wilful default by the borrower or the guarantor has taken place with their consent or connivance or

(2) Review of accounts for identification of wilful default

(a) The lender shall examine the 'wilful default' aspect in all Non-Performing Assets (NPA) accounts with outstanding amount of ₹25 lakh and above or as may be notified by Reserve Bank of India from time to time. If wilful default is observed in the internal preliminary screening, the lenders shall complete the process of classification/ declaring the borrower as a wilful defaulter by following the mechanism set out in para 4 (1) above, within six (6) months of the account being classified as Non-Performing Assets (NPA) [in accordance with the instructions regarding asset classification issued by the Reserve Bank from time to time].

(b) In respect of accounts where 'wilful default' was not observed during the initial examination as mentioned at para 4(2)(a) above, the aspects regarding 'wilful default' shall be subsequently re-examined in terms of the board approved policy of the lender at a periodicity as may be specified by the board.

5. Specific measures against wilful defaulters

(1) Initiation of Criminal proceedings by the lenders

Based on the facts and circumstances of each case, lenders can examine whether initiation of criminal proceedings against wilful defaulters under the provisions of the applicable law, is warranted. In cases where criminal proceedings have been initiated, removal of the name of a wilful defaulter from the List of Wilful Defaulters (LWD) shall

be without prejudice to the continuation of criminal proceedings against the wilful defaulter.

(2) Publishing of photographs of wilful defaulters

In light of the [circular DBR.CID.BC.No.17/20.16.003/2016-17 on Publishing of photographs of Wilful Defaulters' dated September 29, 2016](#) (which is being repealed with issuance of this Master Direction), the lenders shall formulate a non-discriminatory board-approved policy that clearly sets out the criteria based on which the photographs of persons classified and declared as wilful defaulter shall be published.

(3) Penal and other measures against wilful defaulters

(a) The penal measures mentioned below shall be implemented by the lenders.

(i) No additional credit facility shall be granted by any lender to a wilful defaulter or any entity with which a wilful defaulter is associated.

(ii) The bar on additional credit facility to a wilful defaulter or any entity with which a wilful defaulter is associated shall be effective for a period of **one (1) year** after the name of wilful defaulter has been removed from the List of Wilful Defaulters (LWD) by the lender.

(iii) No credit facility shall be granted by any lender for floating of new ventures to a wilful defaulter or any entity with which a wilful defaulter is associated for a period of **five (5) years** after the name of wilful defaulter has been removed from the LWD by the lender.

(iv) Wilful defaulters or any entity with which a wilful defaulter is associated shall not be eligible for restructuring of credit facility. Subsequent to removal of the name of wilful defaulter from the LWD, the wilful defaulter or any entity with which a wilful defaulter is associated shall be eligible for restructuring, subject to the provision contained in para 5 (3) (a) (ii) above.

Explanation:

(A) If the wilful defaulter is a company, another company will be deemed to be associated with it, if that company is -

i. a 'subsidiary company' as defined under clause 2 (87) of the Companies Act, 2013.

ii. falls within the definition of a 'joint venture' or an 'associate company' under clause (6) of section 2 of the Companies Act, 2013.

(B) If the wilful defaulter is a natural person, all entities in which he is associated as promoter, or director, or as one in charge and responsible for the management of the affairs of the entity shall be deemed to be associated.

(C) The penal provisions mentioned above, shall cease to be applicable on the associated entities when they are no longer associated with the wilful defaulters.

(D) In cases where the existing promoters are replaced by new promoters in terms of directions contained in [circular 'Prudential Framework for Resolution of Stressed Assets' dated June 7, 2019](#) (as amended from time to time) and the borrower company is totally delinked from such erstwhile promoters/ management, lenders may take a view on restructuring such accounts based on their viability, without prejudice to the continuance of criminal proceedings against the erstwhile promoters/ management.

(b) Incorporation of covenant

(i) The lender shall incorporate a covenant in the agreement while extending credit facility to a borrower that it shall not induct a person whose name appears in the LWD on its board or as a person in charge and responsible for the management of the affairs of the entity.

(ii) In case such a person is found to be on its board or as a person in charge and responsible for the management of the affairs of the entity, the borrower would take expeditious and effective steps for removal of such a person from the board or from being in charge of its management.

(iii) Under no circumstances shall a lender renew/ enhance/ provide fresh credit facilities or restructure existing facilities provided to such a borrower so long as the name of its promoter and/or the director (s) and/or the person in charge and responsible for the management of the affairs of the entity remains in the LWD.

(c) Initiation of legal action

The lender shall, wherever warranted, initiate legal action against the borrowers/ guarantors for foreclosure/ recovery of dues expeditiously.

6. Provision for a transparent mechanism

The lender shall put in place a transparent mechanism for the entire process of identification of wilful defaulters so that the penal provisions are applied in a fair manner and the scope for discretion is obviated.

7. Role of Internal Audit

(1) The lender shall require their internal auditors to specifically look into adherence to instructions for classifying a borrower as a wilful defaulter.

(2) The Audit Committee of the lender shall periodically review the cases of wilful default and recommend steps to be taken to prevent such occurrences and their early detection should these occur. The review shall focus on identifying root causes of wilful default and addressing deficiencies, if any, in the wilful defaulter classification process adopted by the lender.

8. Liability of a Guarantor

(1) As per Section 128 of the Indian Contract Act, 1872, the liability of the guarantor is coextensive with that of the principal debtor unless it is otherwise provided by the contract.

(2) When a default happens in making payment/ repayment by the principal debtor, the lender will be able to proceed against the guarantor even without exhausting the remedies against the principal debtor.

(3) Where a lender has made a claim on the guarantor on account of the default made by the principal debtor, the liability of the guarantor is immediate.

(4) In case the said guarantor refuses to comply with the demand made by the lender, such guarantor shall also be considered for classification as a wilful defaulter by following the mechanism as set out in para 4 of these Directions.

(5) While dealing with the wilful default of a single borrowing company in a Group, the lenders should consider the track record of the individual company, with reference to its repayment performance to its lenders. In cases where guarantees furnished by the companies within the Group on behalf of the wilfully defaulting units are not honoured when invoked by the lenders, such Group companies should also be considered for classification as willful defaulter by following the mechanism set out in para 4 of these Directions.

CHAPTER III Reporting of Wilful Defaulters and Large Defaulters

9. Reporting and Dissemination of Credit Information on Large Defaulters

(1) The provisions regarding reporting and dissemination of credit information pertaining to large defaulters shall apply to all entities regulated by the Reserve Bank, irrespective of whether they fall within the definition of 'lender' as provided in these Directions or not.

(3) For calculating the threshold of ₹1 crore, the unapplied interest, if any, shall also be included. In the case of suit-filed accounts, the threshold shall relate to the amount for which the suits have been filed.

(4) The CICs shall provide access to the list of non-suit filed accounts of large defaulters to all credit institutions as defined in the Credit Information Companies (Regulation) Act, 2005.

(5) The CICs shall display the list of suit-filed accounts of large defaulters on their website.

Explanation: (a) For the purposes of these Directions, the term 'suit filed accounts' shall mean those accounts in respect of which all entities regulated by Reserve Bank have approached courts or tribunals (including under Insolvency and Bankruptcy Code, 2016) for recovery of their dues, and proceedings are pending.

(b) Accounts shall be treated as suit filed if any application, appeal or execution is pending in continuation of the original recovery proceedings.

(c) Suit filed accounts shall be deemed to include accounts in which SARFAESI proceedings or any other proceedings for recovery of the dues from the borrower or any other person liable to make payment of a debt under Acts governing co-operative societies are initiated and pending, and shall include the account of a debtor against whom resolution or liquidation proceedings have been initiated and are continuing.

10. Reporting and Dissemination of Credit Information on Wilful Defaulters

(1) All lenders or the ARCs to which the account has been transferred, shall submit at monthly intervals, information in [Annex II](#) to all CICs in respect of the wilful defaulters as defined in para 3.1. (u) of these directions:

(a) a list of wilful defaulters (LWD) in respect of suit filed accounts

(b) a LWD in respect of non-suit filed accounts

(2) The lender, or the ARC to which the account has been transferred, shall inform all CICs the removal of the name of the wilful defaulter from the LWD, promptly and not later than 30 days, from the date when the outstanding amount falls below the threshold of ₹25 lakh or as notified by Reserve Bank of India from time to time, subject to the provision in para 11 (2) below.

(3) Every CIC shall display the suit-filed and non-suit filed accounts of LWD on its website.

(4) Cases of wilful defaults at overseas branches of banks incorporated in India shall be reported, if such disclosure is not prohibited under the laws of the host country.

(5) In the event an NBFC in the Middle layer or above or a Non-Scheduled UCB falling under Tier 3 or 4 is reclassified during a subsequent review as NBFC-Base Layer or Non-Scheduled UCB under Tier 1 or 2, following the scale-based regulation criteria for NBFCs or Revised Regulatory framework for UCBs, respectively, such NBFCs/ UCBs shall no longer be eligible to classify their borrowers as wilful defaulters. However, these NBFCs/ UCBs shall continue to furnish updates pertaining to historical data submitted by them to the CICs.

11. Treatment of compromise settlements

- (1) Any account included in LWD, where the lender/ ARC has entered into a compromise settlement with the borrower, shall be removed from the LWD only when the borrower has fully paid the compromise amount⁵.
- (2) Till such time as only part payment is made, name of the borrower shall not be removed from the LWD even if the outstanding amount becomes less than the threshold of ₹25 lakh or as notified by Reserve Bank of India from time to time.
- (3) The compromise settlement with the wilful defaulter shall be in terms of the board approved policy of the lender/ ARC. Such policy shall include guidelines on staff accountability examination, reporting of the compromise/ settlement to the board, higher upfront payment if any, etc.
- (4) The compromise settlement shall be without prejudice to the continuation of criminal proceedings against the wilful defaulter.

12. Treatment of defaulted loans sold to the other lenders and ARCs

- (1) Before transferring a defaulted loan with outstanding of ₹25 lakh and above, irrespective of its classification as NPA, to other transferees, the lender must internally conduct a comprehensive investigation from a wilful default perspective. This process need not necessarily involve a two-stage committee but should ensure a thorough examination of wilful default aspects for each defaulted loan.
- (2) In a case where wilful default is observed, the lenders shall complete the process of classification of the borrower as wilful defaulter as per mechanism set out in para 4 (1) above, and report it in the LWD to CICs, before selling the asset to other lenders/ ARCs.
- (3) The details of the reporting done must be conveyed to “transferee” lenders/ ARCs and they shall be responsible for reporting it to the CICs thereafter.
- (4) Sale to other lenders/ARCs shall not be treated as recovery for the purpose of calculating the threshold limit for classification as wilful defaulter and reporting to CICs, as the loan amount is not yet fully recovered.

⁵ In cases where a lending institution decides to cancel the settlement due to non-adherence to the terms of the settlement and revises the amount payable by the borrower, the reporting shall be with reference to the revised amount.

(5) The “transferee” lenders/ ARCs shall continue to report the account as a wilful defaulter until the balance remaining to be recovered in their account plus the amount written off by the “transferor” lender falls below the threshold of ₹25 lakh or as notified by Reserve Bank of India from time to time, subject to the provisions contained in para 11 above.

13. Treatment of accounts where resolution is done under Insolvency and Bankruptcy Code (IBC)/ Resolution framework guidelines issued by the Reserve Bank

(1) In case an account which is included in LWD and has subsequently undergone liquidation or where the resolution [either under IBC or under the [Prudential Framework for Resolution of Stressed Assets dated June 7, 2019](#) (as amended from time to time) issued by the Reserve Bank] results in a change in the management and control of the entity/ business enterprise, the name of such a borrower or guarantor who were classified as wilful defaulter [which includes in case of a company, its promoters and the director (s), and in case of entity (other than companies), persons who are in charge and responsible for the management of the affairs of the entity], shall be removed from the LWD after implementation of the resolution plan under IBC or aforesaid prudential framework.

(2) The penal measures as detailed in para 5 (3) (a) shall **not** be applicable to such entities/ business enterprises after implementation of the resolution plan under IBC or aforesaid prudential framework.

(3) The penal measures detailed in para 5 (3) (a) (ii) and (iii) shall continue to apply to the erstwhile promoter(s)/ director(s)/ guarantor(s)/ persons who were in charge and responsible for the management of the affairs of the entity/ business enterprise, and to the entities they are associated as a promoter or director or as one in charge and responsible for its management.

14. Responsibility for Correct Reporting

(1) The responsibility for reporting correct information and also ensuring the accuracy of facts and figures rests with the concerned lender.

(2) The lenders while furnishing information to CICs shall ensure the accuracy of the particulars of the directors, and wherever possible, by cross-checking with the database maintained by the Registrar of Companies.

15. Reporting of Guarantors

The entities regulated by Reserve Bank or lenders, as applicable, shall report to CICs the details of guarantors who have failed to honour the commitments thereunder when invoked, as large defaulters/ wilful defaulters, as the case may be. The details shall be reported as per [Annex I](#) and [II](#).

16. Reporting of Directors

(1) In case of business enterprises registered as companies under the Companies Act, 2013, the lenders shall also report in the Director column of [Annex I](#) and [II](#), the full names of the directors to facilitate better identity of persons concerned, subject to the provisions of these directions.

(2) In order to ensure that directors are correctly identified and in no case, persons whose names appear to be similar to the names of directors appearing in the LWD are wrongfully denied credit facilities on such grounds, lenders shall include the Director Identification Number (DIN) as one of the fields in the data submitted in [Annex I](#) and [II](#), by them to CICs.

CHAPTER IV

Preventive Measures and Role of Auditors

17. Preventive Measures

(1) Credit appraisal

(a) While carrying out the credit appraisal, all entities regulated by the Reserve Bank shall verify as to whether the name of any of the directors of a company/ guarantors/ persons in charge of the management of affairs of the entity appears in the list of large defaulters/ LWD by way of reference to DIN/ PAN, etc.

(b) In case of any doubt arising on account of identical names, lender shall use independent sources for confirmation of the identity of directors rather than seeking a declaration from the borrowing company.

(2) Monitoring End Use of Funds

(a) The regulated entities of Reserve Bank shall closely monitor the end-use of funds and obtain certificates from borrowers certifying that the funds have been utilised for the purpose for which they were obtained. In case of the wrong certification by the borrowers, the regulated entities of Reserve Bank shall consider initiating appropriate legal proceedings, including criminal proceedings wherever necessary, against the borrowers.

(b) The requirements and related appropriate measures in ensuring the end-use of funds by the lenders shall form a part of their loan policy document. An illustrative list of measures for monitoring and ensuring end-use of funds by lenders are:

- (i) Meaningful scrutiny of quarterly progress reports/ operating statements/ balance sheets of the borrowers;
- (ii) Regular inspection of borrowers' assets charged to the lender as security;
- (iii) Periodic scrutiny of borrowers' books of accounts and the 'no-lien' accounts maintained with other lenders;
- (iv) Periodic visits to the assisted units;
- (v) System of periodic stock audit, in case of working capital finance;

(vi) Periodic comprehensive management audit of the 'credit' function of the lender, so as to identify the systemic weaknesses in their credit administration.

(c) In cases of project financing, regulated entities of Reserve Bank should ensure end use of funds by, *inter alia*, obtaining certification from the Chartered Accountants for the purpose. The regulated entities of Reserve Bank must, however, not just depend on the certificates issued by the Chartered Accountants but also strengthen their credit risk management system and internal controls to enhance the quality of their loan portfolio. Further, in all cases, especially in the case of short-term corporate/clean loans, such an approach must be supplemented by 'due diligence' on the part of regulated entities themselves, and to the extent possible, such loans must be limited only to those borrowers whose integrity and reliability are above board.

18. Role of Statutory Auditors

(1) In case any falsification of accounts on the part of the borrowers is observed by the lender, and the auditors are found to be negligent or deficient in conducting the audit, the lender shall consider lodging a formal complaint against the statutory auditors of the borrowers with the National Financial Reporting Authority (NFRA)/ Institute of Chartered Accountants of India (ICAI) to enable them to examine and fix accountability of the auditor.

(2) Pending disciplinary action by NFRA/ ICAI, the complaints shall be forwarded to the Reserve Bank (Department of Supervision, Central Office) and Indian Banks' Association (IBA). Before reporting to the Reserve Bank and IBA, lenders shall satisfy themselves of the involvement of concerned auditors and also provide them with an opportunity of being heard. In this regard, the lenders should follow normal procedures and processes, which shall be suitably recorded.

(3) Based on such information received from lenders, IBA shall, in turn, prepare a caution list of such auditors for circulation among the lenders, who must consider this aspect before assigning any work to them.

(4) With a view to monitoring the end-use of funds, if the lender desires a specific certification from the borrowers' auditors regarding diversion/siphoning of funds by the borrowers, the lender should award a separate mandate to the auditors for the purpose. To facilitate such certification by the auditors, the lenders shall ensure that

appropriate covenants in the loan agreements are incorporated to enable the award of such a mandate by the lenders to the auditor.

(5) In addition to the above and with a view to preventing diversion/ siphoning of funds by the borrowers, the lenders are free to engage their own auditors for such specific certification without relying on certification given by borrowers' auditor.

(6) Depending upon the nature of the borrowers' acts underlying the wilful default and the quality of evidence available with the lenders in the normal course, the lender shall consider commissioning a forensic audit of the affairs of the borrowers and their books of accounts, in respect of accounts with an outstanding above a threshold fixed by the board approved policy of the lender.

19. Role of third parties

(1) As prescribed in para 4.2 of the [Master Directions on Frauds Risk Management in Commercial Banks \(including RRBs\) and AIFIs/ UCBs, State Cooperative Banks, Central Cooperative Banks/ NBFCs \(including Housing Finance Companies\) dated July 15, 2024](#) (as updated from time to time), in case of wilful defaults also there should be some accountability for the third parties engaged by the lender, if they have played a vital role in credit sanction/ disbursement and are found negligent or deficient in their work or have facilitated the wilful default by the borrower.

(2) The lender shall forward the details of these third parties to the Indian Banks' Association (IBA) for records. This requirement shall be applicable to all lenders as defined under this Master Direction, irrespective of their membership status with IBA. Based on such information, IBA shall, in turn, prepare caution lists of such third parties and circulate to all the regulated entities of Reserve Banks who shall consider this aspect before assigning any work to them.

(3) Before reporting to IBA, lenders have to satisfy themselves of the involvement of concerned third parties and also provide them with an opportunity of being heard. In this regard, the lenders are advised to follow due process, which shall be suitably recorded.
